

Brighouse Running Festival

Mill Lane and Armytage Road will be closed to vehicles 16.15 to 21.00 on Sunday July 22nd 2018

This closure will mean that exit and access to the canal basin via Wharf Street and Karens Way will be as a pedestrian only between these times.

The recommended route is via either the north side (the frontage) of Sainsburys onto Wharf St, or the south side (on the canal towpath) and entering the basin via the roving bridge.

Access via Karens Way will be delayed when runners are on the course, for the safety of the public and competitors.
